Dear Mary,

How are you ? I'm beginning to get used to my new life. Since I arrived in this great city, I have changed my habits. Before I used to walk in the country and pick flowers but now I can't. To go to school, my father used to take me there every morning but now I can only take the bus. However the stores are much more at our disposal. In the city, there are many more people. It's big change ! It's really great !

Big Kisses and Good Bye !

My dear,

Now I am in a big city, and it is very different from our country : In the country I used to cycle to the next village, or to the school, now I can walk to the school, or I can take the school bus. In the country, I had a horse, and I could go riding in the fields. Now, I have the subway, to go shopping, just near my house. Now, when I open my sash window, I can see only other houses, or skyscrapers. When I was in the country, I opened the window and I saw trees and fields. I could hear the nightingale at night, but now, I can hear only the horns from the cars in the street. It seems to me that the time is going faster here, whereas in the country, it used to go slowly.

Your friend, July.

Hi my friend !

How are you ?

color:#FF6600'>I'm fine ! You know I have moved to Lyon (one of the biggest cities in France).

color:#FF6600'>Life style is really different because, before I used to walk or take my car to go to work.

color:#FF6600'>Now, I have a lot of public transports : bus, subway, trams ...

color:#FF6600'>There are a lot of museums, schools ...

color:#FF6600'>I think there is more pollution in Lyon than in the country because of traffic, cars emissions ...

color:#FF6600'>There is more noise ! It's not nice to have a rest or do other things.

color:#FF6600'>I regret silence, rolling landscapes ...

color:#FF6600'>Now I can go shopping in large shops or in Part-Dieu, there are a lot of shops.

color:#FF6600'>Before I used to see you more often !

color:#FF6600'>

color:#FF6600'>Bye, I think of you !

color:#FF6600'>Kiss you !
