Lyon is the second biggest city of France. It is up South-East. It is about two hundred kilometres from the Alps.

I spend twenty-six hours in my "collège" every week. During the school week, I eat at home but, on Mondays I eat at the cafeteria with my friends, then we play badminton (in the school club).

Sometimes on Wednesday afternoons, I do badminton because I have a competition. I play this sport with my friends : Anais, Natacha and Mariette.

Every day I start school at eight oâ€™™ clock, except on Tuesdays.

We have two breaks : one in the morning and one in the afternoon. During the breaks, I stay with my friends.

I like this "collège" because is nice.
